by Bernard J F Lonergan S J review Project MUSE Insight deserves to be read and studied,
discussed and criticized. This book, I believe, is the first perfected philosophic product of the
Leonine reconstruction. Insight might initiate a new era in scholastic philosophy. Using the act of
the intellect as a point of departure, Fr Lonergan has built a complete philosophic synthesis.
Fifty years of Insight ATF known for two works: Insight A Study of Human Understanding and
Method in Theology. If these were the only two works he ever wrote, his reputation would be
undiminished, marking him as a unique mind capable of the most profound philosophical and
theological analyses. Perhaps because of the profundity of his writings, he nonetheless remains
Insight A Study Of Human Understanding Goodreads Community Reviews The ambition of it is
astounding: to understand understanding, what happens when we understand something and
in turn what it is that we understand on those occasions when we do so. The author is
attempting to do in the 20th Century what Aquinas tried to do in his century, taking into account
all that has happened in mathematics. Insight Summary eNotes.com Sources for Further Study
